

United States Department of State

Washington, D.C. 20520

JUN 07 2007

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of major defense equipment and defense articles in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the transfer to Commonwealth of Australia of additional technical data, defense services, and defense articles necessary to support the Royal Australian Air Forces F/A-18 Aircraft Mid-Life Hornet Upgrade Program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs
